Proprietary rights:

Elements of the present website are protected by applicable legal provisions related to copyright, trademark, design patent, and unfair competition.

Its content, in whole or in part, may not be copied unless prior and express authorization of JLMD. In this case the source must be clearly indicated.

The violation of the foregoing constitutes an infringement and may result in severe civil and criminal penalties.

Protection of personal data:

JLMD does not require users to disclose personal information (name, address, email address, occupation, etc.).

However, to obtain specific information or receive certain documents, the user may have to register and enter personal data.

JLMD's users database will be kept confidential. Third parts will not have any access to this data.

JLMD informs you that its Web site and its database which may contain said personal data have been declared (N° 1133101) to the National Commission for Data Processing (CNIL).

In accordance with **article 27 of Data Processing Law** of January 6, 1978, you have a right of access, correction and suppression of your personal data.

In addition, the connexion to our web server may trigger the transmission to your browser of a small amount of data that will be stored on your computer's hard disk. Your browser contains a function allowing you to refuse cookies (the terms and conditions are specified on the CNIL's website). This will not prevent your access to our Website, but may delay or slow down web pages downloading.
